BUSINESS DEVELOPMENT OF THE COMPANY

The net proceeds from the issue of the Subscription Shares including the Suncool Subscription Shares, after deduction of related expenses payable by the Company, will be intended to be used for the same purposes as stated in the Circular, being, among others, approximately 60% of the net proceeds for the development of the Solar Business in the PRC which, approximately half of such proceeds will be used for the acquisition of equipment and the remaining portion will be used for the general working capital for the development of the Solar Business.

Pursuant to the Licence Agreement, the licence period in respect of the exclusive right and licence to Nation Power, a wholly-owned subsidiary of the Company, to exploit the Coolstore IPR and the Licensed Technology within the Coolstore Field of Use and Coolstore Territory for a term of 15 years will commence upon the Suncool Subscription Completion. In view of the increasing support from the PRC government and the unique nature of the simultaneous productions of heat and cold of the CoolStore cooling-stored pipes, it is expected that solar energy would become more popular and thereby drive the local demand for the CoolStore cooling-stored pipes in the future and the Directors are of the view that the development of the Solar Business in the PRC is in the interest of the Company and the Shareholders as a whole.
