The purpose of this circular is to provide you with information regarding resolutions to be proposed at the Annual General Meeting relating to (i) the grant of Share Issue Mandate and Repurchase Mandate to the Directors; and (ii) the re-election and appointment of Directors.

## **LETTER FROM THE BOARD**

### **GENERAL MANDATE TO ISSUE SHARES**

In order to ensure flexibility and discretion to the Directors, in the event that it becomes desirable to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for a general mandate to issue Shares. At the Annual General Meeting, an ordinary resolution no. 5(A) will be proposed to grant a Share Issue Mandate to the Directors to exercise the powers of the Company to allot and issue a maximum of 54,340,000 new Shares, representing 20% of the aggregate nominal amount of the issued share capital of the Company immediately after the passing of the resolution in relation to such proposed Share Issue Mandate. In addition, subject to a separate approval of the ordinary resolution no. 5(C), the number of Shares purchased by the Company under ordinary resolution no. 5(B) will also be added to the Share Issue Mandate as mentioned in the ordinary resolution no. 5(A). The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to such Share Issue Mandate.

### **GENERAL MANDATE TO REPURCHASE SHARES**

In addition, an ordinary resolution will be proposed to approve the granting of a proposed Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the aggregate nominal amount of the issued share capital of the Company immediately after the passing of the resolution in relation to such proposed Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix I to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution at the Annual General Meeting.

### **PROPOSED RE-ELECTION OF DIRECTORS**

In accordance with Article 87 of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at least once every three years at the annual general meeting. Mr. Tang Chee Kwong, Mr. Chan Cheong Tat and Mr. Yeung Kwok Keung, JP shall retire from office by rotation and be eligible for re-election at the Annual General Meeting. Mr. Tang Chee Kwong and Mr. Chan Cheong Tat have offered themselves for re-election. However, Mr. Yeung Kwok Keung, JP indicated that he would not offer himself for re-election at the Annual General Meeting due to his retirement. Mr. Yeung Kwok Keung, JP confirmed that he has no disagreement with the Board and the Company and there is no other matter in relation to his retirement that needs to be brought to the attention of the Shareholders.

In accordance with Article 86(3) of the Articles of Association, any Director appointed by the Board to fill a casual vacancy shall hold office until the first general meeting of the Company after his appointment and be subject to re-election at such meeting. Mr. Tang Chiu Ming Frank, having been appointed as Director on 1 February 2008 to fill a casual vacancy, shall retire from office at the Annual General Meeting and, being eligible, offers himself for re-election at the Annual General Meeting.

### GENERAL INFORMATION

Your attention is drawn to the additional information set out in the Appendices to this circular. The English text of this circular shall prevail over the Chinese text.

**Chan Yuen Hing**  
*Chairman*

*This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the proposed Repurchase Mandate.*

**SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 271,700,000 Shares of nominal value of HK\$0.01 each.

Subject to the passing of the resolution granting the proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 27,170,000 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

**REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets value of the Company and/or earnings per share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

The Directors have no present intention to repurchase any Shares of the Company and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on the terms favourable to the Company. On the basis of the consolidated financial position of the Company as at 31 March 2008, being the date to which the latest published audited financial statements of the Company were made up, the Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the currently prevailing market value, there will not have a material adverse impact on the working capital position and gearing level of the Company. The Directors do not propose to exercise the proposed Repurchase Mandate to repurchase Shares to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements or the gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

**FUNDING OF REPURCHASES**

Repurchases to be made pursuant to the proposed Repurchase Mandate would be financed out of funds legally available for the purpose in accordance with the Articles of Association and the Companies Law. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Law.

**EFFECT OF THE TAKEOVERS CODE AND REPURCHASE CODE**

Upon the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Repurchase Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and, depending on the level of increase of the Shareholders' interests, may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, First Prospect Holdings Limited was interested in 172,900,000 Shares, representing approximately 63.6% of the total issued share capital of the Company. In the event that the Directors should exercise in full the proposed Repurchase Mandate, the shareholding of First Prospect Holdings Limited in the Company will be increased to approximately 70.7% of the issued share capital of the Company. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeover Code as a result of any repurchase of Shares pursuant to the proposed Repurchase Mandate.

Assuming that there is no further issue of Shares between the Latest Practicable Date and the date of repurchase, the exercise of proposed Repurchase Mandate whether in whole or in part will not result in less than 25% of the issued share capital of the Company being held by the public as required by Rule 8.08 of the Listing Rules. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

**PRICE OF THE SHARES**

The following table shows the highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date:

Month	Price Per Share

**GENERAL**

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company or its subsidiaries if the proposed Repurchase Mandate is exercised by the Company.

No connected persons of the Company (as defined in the Listing Rules) has notified the Company that they have a present intention to sell any Shares to the Company, or have undertaken not to do so in the event that the Company is authorised to make repurchases of the Shares.

2. Any member of the Company entitled to attend and vote at the Meeting is entitled to appoint another person as his proxy to attend and vote instead of him. A member of the Company who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at the Meeting or at a class meeting. A proxy need not be a member of the Company. In addition, a proxy or proxies representing either a member of the Company who is an individual or a member of the Company which is a corporation is entitled to exercise the same powers on behalf of the member of the Company which he or they represent as such member of the Company could exercise.

5. Delivery of an instrument appointing a proxy shall not preclude a member from attending and voting in person at the Meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.
6. Where there are joint holders of any share, any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding.
7. An explanatory statement containing further details regarding the resolution no. 5B above is set out in Appendix I to this circular.
